

Early Bird Mortgage Rate Guarantee!

At Consolidated Credit Union, we know this is the time of year many Islanders start shopping for a mortgage. While this can be an exciting time, we recognize some of the challenges that come with house hunting can be stressful, including determining the interest rate you'll pay.

We'd like to help.

Get a pre-approved mortgage with us, and your rate will be locked in for 180 days! That's right, Consolidated Credit Union will honour your pre-approved rate, for 6 months from the date of approval...and if rates go down, your rate will go down accordingly.

Peace of Mind

You can shop for that new home in confidence, knowing your financing is approved and your rate is locked in. Now that's peace of mind. Contact our office for complete details.
